Part Identity

Preparation

- Remove all parts from packaging. Check your quantities with chart to the left.
- Spread out all parts on a soft, level surface to avoid scratching parts.
- **Do not tighten nuts with wrench until assembly is complete.**

Need Help? Please contact our customer service department between 9:00 a.m. - 4:30 p.m. Eastern Time Monday through Friday at 1-877-539-7436 FAX: 1-877-539-7439.
